2. Switch to English language at the top of the page, if preferred.

The screenshot shows the Wiener Linien website interface. At the top left is the Wiener Linien logo. In the top right, there is a language selection menu with 'English' circled in red and a red arrow pointing to it. Below the logo, there are navigation links for 'Fahrgastinfo', 'Unternehmen', and 'Ticket Shop'. A secondary navigation bar includes 'Startseite', 'Tickets', 'Jahreskarten-Service', 'Fanshop', 'FAQ', 'Warenkorb', and 'Login'. The main content area is titled 'Produktübersicht' and shows 'Kongressnetzkarten' with options for '1 Tag' and '4 Tage'.

3. You can now order a 4-day-ticket or a 1-day-ticket (select exact date). The discount will automatically be attached in the second step.
4. To add an extra ticket for CAT (City Airport Train), a non-stop transfer from Wien-Mitte to the airport, choose "Airport transfer" with one-way or two-way-option. The 10% discount is valid on the full price.

The screenshot shows the 'Shopping Cart' page. The cart contains two items: 'Congress Ticket 4 Days' and 'CAT - Return Ticket (K)'. A 'Discount' row is highlighted with a red arrow pointing to a value of '-3,90 €'. The total price is shown as 'Total: 35,10 €' and 'incl. 10% VAT: 3,55 €'. At the bottom, there are buttons for 'Empty shopping cart', 'Continue shopping', and 'Complete order'.
